## Warm reception

**A**s a saleswoman, I travel all over the UK on business and often stay in hotels.

This affords me plenty of opportunities for fucking and I always take them.

The last guy worked on reception and I could see he was up for it so I told him to call on me when he got off.

Sure enough, the next morning, he let himself in with a pass key and slipped into bed with me.

## CANDY, DORSET

## CONTACT ME

He grabbed my tits and squeezed them through the strands of the shirt, then slipped a hand between my legs.

"Very wet," he said, pushing two fingers into my slippery slot.

I gasped as he did it again, then he told me to get on my knees.

I stuck my arse out, cunt on display and

cheeks smeared with cream and he slipped his cock inside me.

He fucked me hard and deep, pumping me quickly as my knockers bounced together.

The curtains were open and were on the first floor, so anyone could see me so I fucked back against his cock harder and harder.

"Let me take it in the mouth," I pleaded, so he pulled his cock out of my cunt and stuck his dick in my face.

I sucked it for a few seconds then he pulled out and came all over my face.

I wanked his stiff dick into my mouth and peppered myself with sperm.

Unfortunately, at this moment, he turned to the window and saw his girlfriend looking in.

This brought a rather abrupt end to some fantastically filthy fun.

*Candy, Bournemouth.*

## A sure fling

**I** split up with my boyfriend a week before we were meant to go on holiday with three other couples. I went anyway, but it wasn't easy seeing the others come down to breakfast looking really bloody shag-happy!

I decided I'd find myself a bloke, just for the week. The one I went for was about 15 years older than me. I'd see him by the pool, just chilling out and reading and I'd drift off, imagining him fucking me, sucking on my nipples as his

cock pumped my pussy slow and deep. Soon, I felt warm juices seeping out to soak my bikini bottoms.

I went over. "Good book?" I asked. He looked up at me and said, "Like reading, do you?"

"There's other stuff I like better," I said. Then I gave him my room number and said, "Six o'clock."

He just grinned and shook his head in disbelief.

Back in my room, I couldn't

wait. I tore off my bikini, jammed two fingers up my creamy cunt and rubbed my clit with my other hand. It only took me a minute to cum,

Now he slid his hand into my panties and over my cunt and I rubbed my aching clit against his fingers. He started off doing it gently at first, but as I humped against him, he did it so fast that I grabbed a handful of his hair and screamed into his ear as a climax gushed right through my cunt.

When I got control of myself again, I ripped off his trousers and

then I just lay there, hot and twitchy, wondering what the hell I'd do if he didn't turn up.

I was stroking myself when there was a knock at the door. I threw on a robe and opened the door to my visitor.

"I'm Mike..." he said.

"Who gives a fuck?" I said and pounced on him, shoving my tongue into his mouth. He snogged me back and grabbed me around the arse, pulling me hard against him.

As my body pressed and rubbed against his, I could feel he had a huge hard-on.

saw exactly how big and thick his prick was. It was already fully hard so I gently kissed his helmet. Then I slid his whole shaft into my mouth, taking it deep down my throat, running my tongue along the underside of it as it slid in.

Mike was raking his fingers through my hair and rocking his hips harder and faster. My whole mouth was full of thick salty cock, pounding all the way to the back of my throat.

My juices were flowing and I said, "Okay... stop fucking

Gobs of thick cum coated my lips as I drank down the whole of his load. I lapped them up too.

Mike had to leave the next day, so we shagged the rest of the night away!

Ve haff vays of making you wank... Paige Turnah (left) puts on her best Nazi uniform for some outrageous taboo-busting fetish sex in Harmony's The House Of Sin. It's a Reich good rollicking watch! Of course, we realise some of you may be offended by this sort of thing. We completely understand - our granddad actually died in a concentration camp - he got drunk and fell out of the guard tower.

### MODEL MISBEHAVIOUR

Sophia never has sex before a fight - only during it.

Er, we beg to differ, Satine. We've been perfecting the art for decades.

We deliberated whether to tell her we did a little pee in there.

### UNHAPPY FINISH!

A man broke his penis when he fell off a Chinese taxi motorbike while watching porn films on his mobile phone. The man, Yu, is suing the driver, who went over a speed bump, causing Yu's prick to suffer tissue damage.

Dear Julia

I've only just passed my test but it wouldn't matter how dangerous it was or how many points I got, if I saw a naked Lottie (vol 35 no 7) on the hard shoulder, I'd screech to a halt and start fucking her right there and then. She is so hot! I'd bend her over the gear stick and slide it up her juicy muff while I lick and finger her arse till it's ready for a good fucking!

Andy, Coventry.

**Julia says:** Despite her not wearing protective head gear, there was still a hard hot area in her panties. And mine!

Dear Julia

Even in an amazing issue packed with the best boobs (vol 35 no 7) like Lottie's, Roxy's and Brooke's, surely new girl Rose's rippers have to take top spot. So big, so heavy, I could just imagine them dangling around my ears as I squelch around inside Rose's garden! Get her and those crackers back in the mag very soon!

## Going down on t

**A**fter going for the so-called easy option and leaving school at 16, it took me just a few years to realise I'd be stuck in a dead-end job all my life if I didn't get some qualifications. The final straw came when I split up with my bloke – 10 years older than me and 10 years more childish, the type who lives for beer, clubs and footy and seems to think, "You look alright" counts as foreplay.

My mates said I could do better, meaning better than him, and I agreed

with them, although I decided my entire life needed an overhaul. That's how I ended up enrolling for evening classes, doing A-Levels in English and maths.

Most of my classmates were mature students, just looking to give their brains a workout. But in maths I had a fellow "immature student" – as he put it, giving me a giggle – a lad called Joe. He was a builder, but he figured if he passed a few exams he could get into site management, rather than just doing donkey work till he dropped dead of exhaustion, or a

coronary from the fry-ups.

We flirted a bit and one night, a couple of weeks into the course, I asked him out for a drink after class. He said no, he had to be up at the crack of dawn, but it wasn't a fob-off. He asked me out to dinner that Saturday.

I'd pegged him as a bit of a lad, but he was much cooler than that, really good to talk to. I figured at least I'd made a good mate, then he asked me back to his place for "a nightcap".

I liked him even better when I saw his

flat – he'd bought it as a wreck and done it up to his taste, which I couldn't fault. If anything, he was too cool. He didn't seem shy but, while most blokes his age are fumbling desperately at your tits as soon as they get you in past the front door, he just held back from making a move until I had to take matters into my own hands – literally.

I walked over, gave him a big grin, dropped to my knees and got his cock out, wanking him for a few strokes till I saw with satisfaction a tiny bubble of pre-

cum emerge at the tip, then feeding his length into my mouth and sucking away.

I blew his cool as well as his cock – right from the start he was squirming on the couch, moaning and groaning, gritting his teeth as he tried to hold himself back. Hardly laid-back or in control, but it's flattering for a girl to see how much she's turning a bloke on. If he'd spurted in my mouth right then and there, I'd have taken

**TAKE A

We felt like we'd been twelve rounds with Audley Harrison after watching Sophia go through her paces in the ring — ie, absolutely fine and dandy. "Boxing keeps me fit and I can take out my aggression on my opponent," gasps a ducking and weaving, nearly-naked Sophia, giving us a case of the raging balls. "This (smack!) is for my ex-boyfriend, this (smack!) for his mother and this (smack!) for you lot for not having me back in Escort sooner!"

"I've not played golf before," sighs Caroline, at her local course in Surrey. "It doesn't look like too much hard work so I thought I'd give it a swing – and maybe snaffle myself a rich fella at the nineteenth hole! Those gents over there watching are very helpful. Every time I'm about to take my shot, they shout 'Fore!' for me." We hate to disabuse you, Caroline, but we think you'll find that's "Phwoooooaarr!" they're yelling!

## Hose that girl

**M**y wife Pam and I love reading *Escort* – she gets even more sexed-up than I do over all the gorgeous young models. We like to do more than look, though, and we got to do a lot more with our neighbours' student daughter, Lisa, recently.

She's 19 and horny as hell, and she knows it – she'd be perfect for your mag. Anyway, it all started when Pam went out shopping while I mowed the lawn. I'd only just started when Lisa turned up. She often came over to ours to sunbathe with Pam, mainly because her parents wouldn't let her do it topless in their garden.

She lay down on the grass and started basking in the sun, her perky little tits

slim body was dripping wet and her white bikini bottoms had gone see-through, exposing a little triangle of brown bush.

I let her grab the hose off me and get me back, and somehow it ended up in a clinch. "What about Pam?" she asked. "She fancies you too," I said. "Right..." said Lisa, grinning.

## I SLID MY PRICK UP MY NEIGHBOUR'S TENDER JUICY HOLE. SHE WAS SO TIGHT AND PUFFED UP AFTER CUMMING

on display. When I finished mowing, I had an evil thought. I grabbed the garden hose and sprayed it over Lisa.

"You shit!" she yelled, though she was laughing, and it was one of the horniest sights I'd seen in my life. Her

"Got any beer?" she asked and I ushered her inside. As she drank it, clamping her pouty little lips around the neck of the bottle, I couldn't stop staring at her. "Why don't we go upstairs?" she said, provocatively.

**PAM, CO DURHAM**

Lisa started to shake and as she screamed

out that she was cumming her juices flooded out over my fingers.

After all this I was hard again, and I slid my prick up her tender, juicy hole – she was so tight and puffed up after cumming. She rode me to another couple

I let her lead me – she knew the way to the bedroom. I stayed a few steps behind her, so her luscious teenage arse was right there at eye level.

She helped me out of my shorts and pulled my hard prick free of my pants. Then she fell to her knees and licked my cock shaft before taking it deep in her mouth – it felt so warm

and tight wrapped around my length.

She knew what she was doing with her tongue. I told her I didn't want to cum too soon but she just sucked me harder, the little bitch. Okay, I thought, if that's the way you want it, and I just let go and blew my load down her throat.

I gave as good as I got, though. I hardly waited after cumming before spreading her pussy lips to expose her swollen clit, and sucking it into my mouth. Then I eased a couple of fingers up her cunt and used another to probe her arsehole, sinking it in right down to the knuckle.

of screaming orgasms before I shot my load again, up her sopping wet cunt this time.

I lay back on the bed and as I got my breath back I realised Pam was in the room too. I also found out that they'd planned the whole thing – Lisa would seduce me while Pam was out shopping, then Pam would come back

and join in.

I also found out they'd already slept together a couple of times – that's what Lisa had been grinning about when I'd said Pam fancied her.

They got stuck into each other, sucking each other's cunts as I wanked myself.

Then I got in behind Lisa and started to fuck her from behind. Pam positioned herself under Lisa and switched between licking her clitoris and my balls, while Lisa carried on sucking her pussy, sliding a finger up her asshole.

When both of them were moaning in orgasm, I pulled out and had them lie side by side. Then I showered their tits with loads of hot spunk.

We've been screwing Lisa on and off since then. We're dreading her going back to college, but we're planning to visit her when she does!

# TOMORROW

For us, a spa treat means a trip to the corner shop for a packet of Frazzles, but Tomoko prefers to pamper herself in style. "Summer means taking a break from the stresses and strains and doing absolutely nothing," she sighs. "Well, if by nothing you mean lazily sucking and fucking all day long in my hot tub! I like to get it bubbling up with a group of mates. There's so much froth you can't tell who's that finger is sliding inside your pussy, or whose cock you're stroking to full hardness. Sure you won't join us?"

CELE

Girls — as a rule, don't believe a word your boyfriend says. "I'll be back in an hour", "I'm only going to have a couple of pints", "Of course I don't fancy her" — all trusty male lies. Where was Adam when Eve needed him? He said he was only popping to Homebase. But, when Lexi's boyfriend said: "You know, you're just as fit, if not fitter, than those girls in Escort. You should become a model!" luckily Lexi was savvy enough to know that he was telling the truth. So here she is. Though if he thinks she buys that he didn't get a lapdance on that stag do recently, he's got another think coming.

# SEX ADDICT

## FREAK OR UNIQUE? THE KINKIEST FETISHES

**Sex is great, but the skilful manipulation of domination, submission and roleplay in acting out your fetishes can almost approach art, thinks UK sex queen Tiffany Snow**

have time for that. I have a strict rule about not doing sex in exchange for favours; I will either do it for my normal set rate or on rare occasions if I like someone I will have sex with them for fun. A very close escort friend of mine is the opposite of me and has no qualms about using her "charms" to get as many free favours as possible. She even

probably fallen apart. All I had to do was stand there naked in my heels and pass him the tools he asked for. Shoes were his fetish and he knew more about shoes than I did. It was vital that he would only do this if I wore my Louboutin shoes

and it drives them crazy while it also turns them on.

I have a couple of male friends who I know very well and who have certificates from the clinic so they can come over and we act out a scenario where me and my male stud friend start fucking and the client peeks at

*The guys love to lick up the sticky fresh mess left in their cheating wife's well-fucked pussy*

he'd seen in my photos.

My most common fetish request that may surprise many guys is "pegging" or more coarsely the act of fucking guys with my strap-ons. It always amazes me how many of the guys are young, alpha-male types or powerful businessmen.

I can't tell you how satisfying it is to fuck the ass off a guy with an eight-inch strap-on, spanking his ass and calling him my bitch. To think feminists say this job is degrading to women! I couldn't think of anything more empowering than roughly fucking macho guys and powerful older men.

Cuckolding is an equally huge fantasy. My theory is that many guys are obsessed with the idea of their wives cheating on them

us from behind the door before finally confronting me in the role of his cheating wife and wanting to know what I am doing.

It's at this point that I tell him how pathetic his cock is and how it isn't enough for me and that I have been spending his money on fucking studs while he is at work. I make him watch while another man uses his "wife". I let them get up close and see me getting fucked hard and make sure they know how much I love it.

At some point my male friend fills me up with a nice fresh cream pie and then leaves to grab a shower. This is the part that these guys enjoy the most – the chance to clean up the sticky fresh mess left in their cheating

fucked her dentist in the chair for free dental work.

I did once make an exception to my sexual services for favours rule for a skilled carpenter who wanted to see me naked in my Christian Louboutin shoes in exchange for him assembling a really large four-door oak wardrobe that would have taken me hours and

**Y**ou won't believe how many fetish requests I have to turn down for being far too strange. From guys wanting me to fart in their faces, popping balloons, kicking them as hard as possible in the nuts, to food sex and the much more sordid obsession with people's toilet habits.

Some fetish requests I won't do, not because I think they are not my thing but because I know it would take twice as long to clean up as to do the actual meet.

I get at least three offers a week from guys asking to be my full-time slave. They actually want to move into my house and serve me all day long. None offer to pay me; they just think I would enjoy having a full-time slave living in my house!

Slaves are like dogs – very needy and want constant attention – and I really don't

wife's well fucked pussy.

I force their face between my legs and make them lick every last drop of cum out of me while letting them know that's all they are good for and my pussy is now owned by my stud lover.

My own personal fetish is submission and if a guy knows how to do it right and has me on my knees, tied up and blindfolded following his every command I find it a huge turn-on. These sessions are about much more than just sex. It's a deeply complex roleplay of domination and submission and many women will confess that they love to be submissive as proven by the success of *Fifty Shades of Grey*. I think women are so

used to fucking and sucking that guys who take the time to do more complicated sexual role-plays get us really stimulated and turned on.

So next time you're thinking of getting horny why not try exploring some of your deeper, more complex fantasies. You are definitely not in a minority.

# LUCY

Lusty Lucy from Suffolk is experimenting with her sex life, so we thought it was appropriate we put her in the world's largest guinea pig cage. "My husband and I want to liven things up," she says. "He got really horny when I told him that I was going to have my photos printed. Can I have copies of these because he wants to show all his friends? He loves showing me off at parties, but now he can show me off in all my naked glory. I'm getting all wet thinking that next time I meet his mates they'll have seen every inch of me. Maybe some will be such big fans they'll ask to fuck me. We might even let them..."

## Busted & Basted

I could have died when I turned up at a pub to meet my boyfriend Mike, and found him sitting having a pint with Nick, who I'd been cheating with.

They obviously knew. "Maybe you should take us both home," said Mike. "See

out of my reach until I was gazing at it and licking my lips.

Meanwhile, Mike was playing with me from behind, sticking one finger up my pussy and one up my arse, rubbing and pinching the flesh in between them. And when his free hand found my clit, I screamed out loud.

Nick parked under some trees and spent a couple of minutes just watching Mike sink three fingers inside me and making me moan. Next, Nick got his cock out and I crawled onto the passenger seat on all fours.

Nick gave me a bit of a tease, wanking his prick right in my face but keeping it

and suddenly felt him start to rub it over my face, smearing me with his salty fluid.

In behind me, Mike was just as bad teasing me. I felt him pull his fingers back out, and gasped as he touched his knob-end in between my legs. I waited, shaking with anticipation, for him to feel his way to my hole but he didn't – he just teased up and down my slit.

"Let's see if she speaks with it full, then," said Nick and finally fed his prick between my lips.

I sucked it like it was the first and only time I'd get the chance, then even harder as I felt Mike's prick sink into my soaking wet cunt. They fucked me at each end – first Mike slid in, shoving my mouth onto Nick's cock,

"Want to fuck?" said Mike.

"Yeah," I said. Stupid question...

"Then let's hear you ask for it," he said, letting the tip of his prick touch my

"You know I want it," I said, as Nick swiped his prick over my chin, leaving a sticky trail. I flicked my tongue out for a taste and smacked my lips. "I want both your cocks. I want to feel Mike's going in to the balls up my cunt, and Nick, I want you fucking my mouth at the same time."

# REAL WIFE SEX

*Yasmin's story continued from page 19*

red-tipped prick bobbing out of his pubes had my fanny dripping like a tap.

Now he knelt up, easing it inside me, taking it slow so we both felt every inch of it. My pussy was aching, throbbing around it, and I started to finger my clit, making myself cum.

Once he was inside, he had a bit more trouble holding back. He banged me hard and fast, like it was all about him now – nothing rough in it, just all his overexcitement suddenly catching up with him.

It went on for ages, like he was too nervous to let go,

it as a compliment.

Soon, though, he asked me to stop. He said he'd fantasised about fucking me, imagined me lying on the sofa, legs spread wide. "Like this?" I said, and got naked then splayed myself on the couch.

**She begged me to pull out of her cunt and give it to her up the arse instead**

He just grinned and nodded, but didn't go for it right away. He used his hands and mouth, licking my hole and fingering my clit, although I got him switching over, sucking on my nub with three fingers shoved in my hole. I told him how to bend them inside me, so he caught my tenderest spots as he fucked them in and out – good thing he had a thirst for education!

He kept telling me how wet I was getting – I could hear and feel it for myself, and just the sight of his long,

so I took over again. I moved us onto the floor, then rolled us over so I was on top, and because I know what I like, it didn't take much frigging to get my snatch snapping tight around his shaft.

I let him suck on my tits, to milk as much pleasure out of it as I could, then I hauled myself off his big dick and went down on him again, swallowing mouthfuls of my own cream before I finally got into a good sucking rhythm.

He was as good as done for then. I wanked him into my mouth with one

hand, the other one all over his balls. "Watch," I said, and saw him look at me, a bit glazed, as I aimed his spurting prick at my tongue, letting a couple of jets splash on it before closing my lips around his helmet and sucking out the rest of his cum.

There's nothing serious going on between us, but it's a bit of fun and a good stress-buster, and Joe appreciates it. He actually told me he was finding the course hard going, and contemplated chucking it in, but because going to class meant seeing me, he stuck with it. Now he's doing pretty well. I give

him the credit for this – I think he was daunted rather than useless at maths, but I also like to think I've taught him a little something. Let's just say his shagging technique has improved since the first night we got together! 🍆

**You don't need to be Poirot to work out that Alexa's got a great set of tits and adores pumping them around your cock. "I'm actually very narrow in my pussy," she confesses, "and I don't like to take too big a prick in there. If I meet a guy who looks like he's carrying a marrow in his pants, I prefer to tit-wank him while I wank myself till he comes all over my neck and nipples!"**

## Lotta Bottle

**M**y housemate threw a party and I ended up in a game of Spin the Bottle with these girls Tanya and Jo and a load of other mates.

They were pals but seemed to like to score points off each other and didn't like the other one getting attention. Jo got dared to snog the next person the bottle stopped at, and ended up with my tongue down her throat. I saw Tanya out of the corner of my eye and she didn't like it one bit – not because she fancied me particularly but because I was really getting into Jo. Then I was given the same dare, and ended up snogging Tanya.

They stuck to me like glue

each other down, grinding their mouths together really hard and raking their nails over each other's bodies.

Then they seemed to really get into each other. I started playing with my cock as I watched them lying on the bed,

Jo's moist cunt leaving a wet sticky patch on Tanya's thigh as she humped against it.

Fuck me, it was so horny – they ended up in a sixty-nine, and I walked around, just staring and copping a feel whenever I liked. Then I knelt behind Tanya – over Jo's face – and started playing with her arse, splaying her

## Shoe tongues

**L**ast year, I had a job in a shoe shop. One night, just as I was closing the place, a girl tapped on the door and begged me to let her in. She'd seen a pair of

so I let her in, but I closed the door and put the metal shutters down, so no one else would try to come in.

I crouched down and gave her a hand, easing her foot into the shoe and trying to resist feeling her up as I fastened the ankle straps.

"Have a walk in them," I said, thinking dirty thoughts as she strutted up and down, her gorgeous legs looking even longer. "What do you think?"

I glanced up at her and she had this really horny look on her face.

"They're pretty sexy too, aren't they?" she said. I just nodded and she splayed her legs, pulling her skirt right up to reveal a pair of

shoes she just had to have in the window.

I was feeling kind and – I'll admit it – I'm bi, and she was abso-fucking-lutely gorgeous,

she said.

"Seriously sexy," I said. She could take that as a come-on or a friendly professional opinion.

When she sat down to take them off again, her skirt rode up and I could see she had stockings and suspenders on.

see-through black panties.

I stroked her ankles, raising her feet up so I could kiss and lick along the straps. I worked my way up to her thighs. I took her panties off and gave her a lick – her shaven pussy was soft and smooth and the trimmed hair she'd left tickled

my lips. I licked and nuzzled her, until her juices ran out into my mouth, then I started sucking on her clit, hearing her moan even louder as I slipped a couple of fingers up her snatch. I started pumping them in and out, churning her

licking me, lapping the juices from it. I pulled out, resting my shaft along the groove between Tanya's cheeks. My balls were resting right up against her pussy and Jo played with her clit so that her juices ran out and over my hairy sack. Then Jo started licking that before sucking my balls.

That was it – before I knew it I felt them bunch up. Frantically, I shoved Tanya's arse cheeks together around my shaft, so I came all over her crack.

Then, as I watched, Jo opened her mouth and

cheeks and fingering her bum as Jo tongued her. Jo craned her head back and started licking my hard shaft.

Then I slid my cock up Tanya's cunt, and as I thrust in and out, Jo carried on

lapped up my jizz, letting it drip in from my balls, then sucking it straight from Tanya's juice-soaked slit.

I've been screwing the pair of them on and off ever since. *Jack, Salford.*

## Porno Night

**M**y wife Sally-Ann is a right nymphomaniac. She just can't get enough cock!

She has always banged on to me about being fucked in

at the same time. They fucked her arse, cunt and mouth all night.

They lasted hours and gave her the best fucking she has ever had. I have got photos of the action, and a video which she likes to watch when we fuck.

The only problem

**SALLY-ANN, BEDS**

now is that she is keen to repeat her experience, but it cost me the best part of £500 for the

every hole by well-hung black men. It has always been one of her biggest fantasies.

She has these two huge black dildos which she uses to practise with. So for her

all-night services of the three black studs.

I can't afford to repeat it yet, so I've suggested to her that she goes out and picks up

## HER FANTASY IS FOR ALL THREE HOLES TO BE FILLED

34th birthday I thought I would give her the surprise of her life.

I phoned up an escort agency and booked three fit young black blokes for a night.

I had a little chat with them to tell them when to arrive and what I expected of them.

So when the day came around, I took her for a romantic meal and a nice bottle of wine. When we finally got to the bedroom I tied her to the bed and blindfolded her.

With perfect timing, the three blokes came in. They all fucked her in every way possible, one by one and all

strangers in pubs and clubs. She has agreed, as long as I'm there to watch over her.

I love Sally-Ann Jane to bits – she is always ready and willing for cock. I think she wants to set a record for how many cocks she can take in one night. I'm happy to help her beat that record in any way I can!

I'll write and let you know when we find out! *Harry, Luton.*
